CHEEK.

A long letter has been received from William S King, addressed to the Minnesota Legislature, in response to the resolution requesting him to explain his connection with the Pacific Mail business or resign as member elect of the next Congress King denies the right of the Legislature to inquire into his private affairs or undertake to censure or demand his resignation He denounces as a legislative lie [which epithet he puts in italics] the assumption that he had done anything wrong He adds "Under what arrangement I did receive a large sum of money about the time of the passage of the Pacific Mail Subsidy bill is a matter which I don't propose to disclose to the world except in my own good time, nor till evidence which I am unable to reach can be secured to the end that the exact facts in the case can be presented to the public, which will bring to me the fullest and most complete vindication against the falsehoods which you have specimed upon your respective Journals" King is entitled to go up to the head of the class and become the senior partner in the well known cheeky firm of Ben Butler & Co.

A PROTEST.

The Winnemucca *Register* severely denounces the bills now before the Legislature asking aid for the construction of railroads from Unionville to Mill City and from Winnemucca to Paradise Valley, all in Humboldt County Concerning the projected road between Unionville and Mill City the *Register* says

The road would not pay for the fuel its engines would consume There are no intermediate points for the road to benefit, or from which to derive any freight or other business, and there is not sufficient at Unionville to supply one ten mule team with work once a week, and not to exceed one passenger per day for the stage Were it not for the mail contract not even the little two horse jerk water stage could live upon that route There are no mines yet worked sufficient to load one car per week with ore for shipment, no wood in that section of country for transportation, and, in fact there is nothing, absolutely nothing, whatever to warrant even a decent toll road, much less a railroad The road is a grand farce and huge swindle intended only to rob the county out of $100,000 The road will be worse than useless and of no value when finished It is nothing more than a bold effort of wholesale robbery, and before we put the county to this needless expense we should provide for the payment of our honest and necessary debt of $50,000, incurred in the erection of a necessary county building, of which debt these very intriguers are using their utmost endeavors to prevent the payment, and are trying to defeat and probably have defeated the bill now before the Legislature providing for its funding and final payment The Paradise fraud is in the same category as the Unionville road, and both should be defeated

WANT TO SETTLE.

Following the Union Pacific folks, the Central Pacific now proposes to settle with the Government C P Huntington, Vice President of the Central Pacific road, has written Secretary Bristow that the road will agree to pay, in lieu of payment as now required by Acts of Congress, $200 000 on the 1st of October, 1875, and the 1st of April and October in each year thereafter until the amount compounded each six months shall liquidate the claim the United States Government has against the Central and Western Pacific roads, both being now consolidated—the payments as above mentioned to be in full satisfaction of all unsettled questions between the United States Government and the Central Pacific Company

BOUND BY HIS PLEDGES —Senator Hager of California, professes to be in favor of Scott's Railroad bill though he cannot vote for it because of his subsidy pledges. How unlike many of our members of our present State Legislature

Municipal Matters

NEW YORK Feb 19

Gov Tilden and Mayor Wickham have had a correspondence relative to the removal of the municipal officers The Governor declines to approve or disapprove the act of removal by the Mayor before he has submitted to him all the proofs and documents in the case, and adds, in case the Mayor persists in denying his (Governor's) right to proofs in his (Mayor's) possession he will when the business of his office permits make an independent investigation

Death of a Senator's Wife—Incorrect.

CHICAGO, Feb 19

The young wife of the newly elected United States Senator, J E McDonald, of Indiana, died suddenly in Indianapolis yesterday She was married only six months ago

It is stated that the Milwaukee press dispatch, published Monday last, announcing the decision of the Wisconsin Railroad Commissioners to recommend the repeal of the Potter law is incorrect The Commissioners made no such recommendation and it is altogether probable that the bill they did prepare for a modification of the law wont pass

More of the Scandal

NEW YORK, Feb 19

In the Beecher trial this morning Mrs F D Moulton who was accompanied into court by her brother in law, D M Moulton, and her uncle, J P Robinson, was the first witness She testified to being a communicant of Plymouth Church since 18 8 Beecher visited then house at all hours of the day, sometimes came two or three times a day to confer with Mr Moulton and sometimes with witness The first time he spoke to her about the trouble was in the Spring of 1871 He asked her if she had heard of the great sorrow in his life She replied that Frank had told her the story Beecher said he was glad there was one woman with whom he could talk on the subject and who might give him sympathy He asked the condition of Tilton's mind and if he was angry or could be kept quiet In June, 1873, Beecher had a conversation with witness in which he expressed the fear that his letter of confession would be published He said Theodore was a man not to be trusted Witness advised him to go to his church for comfort and rely upon his congregation He threatened to take his life and said there was no use of his living any longer She told him Frank would always be a friend to him He said he was always afraid of Tilton breaking out with the whole story Saw him the following day He was still downcast but more hopeful He always spoke of Mrs Tilton and his great love for her He asked witness to have respect for her—speak kindly to her Witness had conversations with Mrs Tilton in which she asked me to believe in him and go back to church as he was not responsible for the matter, but that she was Witness said she would never go back to church as she had lost faith in him Had another conversation with her in which she said "If matters come out she would sacrifice her husband rather than Beecher and children"

Murderers Hanged.

SACRAMENTO Feb 19

All day the front of the court house was crowded with persons who were drawn there with the hope that they would be able to see the execution, but Sheriff La Rue enforced the rule with rigidity, to have the execution as private as possible Estrada and Cotta slept well last night and all day the relatives of the unfortunate men were with them and the scene of parting was very painful and touching Several officers from abroad were in attendance About noon persons desirous of witnessing the execution gathered on neighboring house tops and remained there till after it was over About 10 30 A M a breakfast was spread in the jail and the two men with their relatives and friends sat down to it In response to an invitation from Cotta, Estrada made a few remarks, stating this was the last meal they would eat on earth, but hoped to meet them in Heaven During this morning several male relatives of Cotta examined the scaffold critically and passed opinions on it coolly At half past one the prisoners called District Attorney Jones in and thanked him for his kindness, assuring him they had no hard feelings At 2 o'clock about 250 were admitted and shortly after the prisoners, supported by officers, and preceded by two priests, mounted the scaffold Cotta looked pale but not a muscle quivered He loosened the hold of one of the supporters and mounted the stairs and took his place under the left hand noose Estrada was weak though him Both men took off their own coats without assistance and Cotta refused the aid of officers and untied his own neck tie and then removed his paper collar They spoke no word but after shaking hands with each other and saying "Good bye" submitted to have their legs pinioned They were then robed in white gowns and after a prayer by the priests the black caps were drawn over their heads and the ropes adjusted Cotta stood perfectly calm and when all was ready the drop fell and Domingo Estrada and Philomena Cotta were gone to try the realities of another world Estrada struggled violently for some time and Cotta struggled some Estrada's body will be taken to San Francisco for burial, and Cotta will be buried here Estrada's mother and sister are now under chloroform and their lives despaired of Mrs Cotta took leave of the boys at 12 o clock and gave them both her blessing

ANNUAL MEETING.

THE ANNUAL MELTING OF THE STOCKholders of the St Louis Consolidated Gold and Silver Mining Company will be held on Wednesday February 17 1875 at o clock p m for the election of Trustees of this Company at the office of the Secretary Reno

M. LIPPMAN, Sec'y.

Reno January 1 1875

DR. A. B. SPINNEY,

WELL KNOWN throughout the country as a Pathologist and Physiologist whose successful treatment of certain physical disabilities and functional derangements deservedly entitled him to the familiar recognition of the GREAT SPECIALIST would respectfully inform the citizens of Virginia City Nevada and vicinity that he can be consulted at No 188 South C street Virginia seven doors north of the French Drug Store, at his office thus giving invalids an opportunity of ridding themselves through his professional agency of such constitutional annoyances and ailments as he claims to compass and to cure. Without entering into biographical details it is sufficient to simply promulgate the fact that DR SPINNEY'S earliest reputation may be traced back to his management and conduct of the Montreal (Canada East) Medical Institute The regime of the English Pharmaceutical Colleges is gauged by an elevated standard An extended experience and an assiduous study of the varied phases of disease enables him to guarantee assurance of success in the eradication of the multiform chronic affections incident to both sexes such as Nervous Debility Exhausted Vitality Youthful Excesses Marriage Impediments Chronic and General Affections

TO THE LADIES.

DR SPINNEY while naturally impressed with the delicacy of the subject feels no hesitancy in assuring them that in conjunction with a competent knowledge of their various sufferings such as Nervousness Neuralgia Spinal Weakness Loss of Appetite Lassitude Prolapsus Uteri Retroversions or Displacement of the Womb Vaginal Irregularities Leucorrhœa Dyspepsia Indigestion Constipation and the many petty irritating distractions that almost invariably have their origin in the uterine region afford them immediate relief

YOUNG MEN.

Who may be suffering from the effects of youthful follies or indiscretion will do well to avail themselves of this the greatest boon ever laid at the door of suffering humanity DR SPINNEY will guarantee to forfeit five hundred dollars for every case of seminal weakness or private disease of any kind or character which he undertakes and fails to cure He would therefore say to the unfortunate sufferer who may read this notice that your health is unfavorably impaired when you are delay in seeking the proper remedy for your complaint It may be in the first stage or in number you are approaching the last If you be suffering in the last and the suffering some of the terrible evil effects in number thirty in particularly persist in procrastination the time must come when the most skillful physicians can render you no assistance when the door of hope will be closed against you, when no angel of mercy can bring you relief In no case has the Doctor failed of success Then let not despair work its fearful ravages upon your imagination but avail yourself of the beneficial results of his treatment before your case is beyond the reach of medical skill or before grim death hurries you to a premature grave

COME AND BE HEALED.

It matters not what your trouble may be, come and let the Doctor examine your case. It will cost you nothing for consultation so please call and satisfy yourself whether the Doctor understands your case If he can cure you he will tell you so, if not he will say so for he will not mislead a confiding invalid. Remember that he will not undertake a cure unless he is confident of effecting a cure

MIDDLE-AGED MEN.

There are many of the age of thirty to sixty who are troubled with too frequent evacuation of the bladder often accompanied by a slight smarting or burning sensation and a weakening of the system in a manner the patient cannot account for on examining the urinary deposits a ropy sediment will often be found and sometimes small particles of albumen will appear on the cooling of the urine and milkish hue again changing to a dark and turbid appearance There are many men who die of this difficulty ignorant of the cause which is the second stage of seminal weakness Dr S will guarantee a perfect cure in all such cases and a healthy restoration of the genito urinary organs
